

# 2004-2005 SES EVALUATION REPORT

## DEMOGRAPHIC DATA

|                               |  |
|-------------------------------|--|
| <b>PROVIDER NAME:</b>         | <b>Gideon's Gate</b>   |
| <b>DISTRICTS SERVED:</b>      | Indianapolis Public Schools  |
| <b># OF STUDENTS SERVED:</b>  | 12 spring semester (as reported by provider)<br>60 summer program (as reported by provider)  |
| <b>GRADES:</b>                | K-12   |
| <b>TYPE OF DELIVERY:</b>      | Individual Tutoring, Small Group Instruction   |
| <b>DESCRIPTION:</b>           | Gideon's Gate's programs are geared toward helping students improve their overall academic performance. All of Gideon's Gate's programs incorporate the skills needed to enhance reading, writing, and math proficiencies. Gideon's Gate's key concepts include problem-based/project-based learning, learning communities, brain-based learning, cooperative learning, culturally relevant teaching, identification of learning styles, multiple intelligences, one-to-one tutoring, out-of-school learning experiences, peer tutoring, service learning, shared decision-making, and holistic services. Individual goals are established based on initial meetings with parents and students and assessments, and a Personal Education Plan is designed. Gideon's Gate has established a baseline standard of monthly communication, along with a goal of bi-weekly communication to all constituents. |
| <b>STUDENT/TEACHER RATIO:</b> | 10/1   |

## CUSTOMER SATISFACTION

### PARENT REPORT

|                         |                                 |
|-------------------------|---------------------------------|
| % of parents reporting: | 0%                              |
| Overall score:          | No parent survey data available |
| Comments:               | No parent survey data available |

### DISTRICT REPORT

|                                    |  |
|------------------------------------|--|
| % of districts served reporting:   | 100% (1/1)   |
| District recommends continuation?: | N (1/1 districts served)   |
| Comments:                          | Site visits and phone survey documentation indicate that this provider's services were questionable. |

**CUSTOMER SATISFACTION GRADE:**     **C**

## SERVICE DELIVERY

### PARENT REPORT

% of parents reporting: 0%

Overall score: No parent survey data available

Comments: No parent survey data available

### DISTRICT REPORT:

% of districts reporting: 100% (1/1)

Overall score: 44% (7/16 possible points)

Comments: Site visits did not support that services were consistent with instruction and content of the district. Site visit documentation does not indicate that instructional strategies were of high quality, and phone survey remarks of parents indicate that not all contractual obligations were fulfilled by provider.

**SERVICE DELIVERY GRADE:** **F**

## ACADEMIC EFFECTIVENESS

COMPLETION RATE (spring program): 100.00%

(summer program): 100.00%
